FOR IMMEDIATE RELEASE:

ANDREWS RECEIVES CRC FRESHMAN CHEMISTRY ACHIEVEMENT AWARD

CHARLESTON, IL--Eastern Illinois University freshman chemistry major Kris Andrews is the recipient of the CRC Freshman Chemistry Achievement Award.

She received a certificate of recognition from CRC Press Incorporated in Boca Raton, Fla., and the Handbook of Chemistry and Physics, presented by CRC for the past 45 years to outstanding students in general chemistry.

"This handbook is the most important chemistry and physics handbook published. Scientists all over the world rely on it for its accurate information," said David Buchanan, chair of Eastern's chemistry department.

Andrews is the daughter of Linda Andrews of Charleston and Ulin Andrews of Oakland. She is a 1991 graduate of Charleston High School and a member of Eastern's Honors Program.
