REPORTS

1. Nominations Committee - B. Weiler reported the list of nominees for the faculty councils (see appendix B). A motion was made by Bartling and seconded by Dolton to accept the nominations. Motion passed.

Shuff introduced the fact that two petitions (Wood, Faculty Senate, and R. Sullivan, CGS) were received on February 20, 1978 and therefore were late according to the rules. Hamand asked to be recognized and reported that he had indicated the existence of a petition on Thursday, February 16, 1978. Dolton remarked that in the past, if a petition known to be enroute by the deadline, such a petition was accepted. After discussion, a motion was made by Rearden and seconded by Hamand to accept the two petitions. On point of order Abell moved that the Senate vote by secret ballot. Motion failed for a lack of a second. The original motion was approved on voice vote.

Shuff commented that there were still councils with an insufficient number of candidates with petitions on file. He made recommendations, with permission of the Executive Committee and the Nominations chairman, to the Senate of candidates for COTE and remanded to the Nominations Committee the task of finding at least one additional candidate for COF. A motion by Carey and seconded by Rooke was made to approve the following candidates for the slate:

COTE - School of Business

Jack Murry
George Cooper

COTE - School of Home Economics

Patricia McAlister
Edith Hedges

COTE - A & S Area I

Claudia Hale
Stan Harris

The motion passed unanimously.

2. Shuff - The Faculty Senate wishes to support the Council of Faculties representative's in their efforts in conducting a survey on the System of Systems. Please see Appendix A.
3. Constitutional Revision Committee will report at next week's meeting. Shuff reminded the Senators to bring their copies of the constitution with them next week. He also discussed the procedures for amending the constitution.
4. Shuff stated that a portion of Dr. Marvin's remarks would be made in executive session. Hamand moved and Smith seconded a motion that we have an executive session. Motion passed unanimously.

Dr. Daniel Marvin - discussed at length the changes which he has made from his original proposals. The major changes are:

1. Administration of Library - It will report directly to Vice President of Academic Affairs. Dr. Marvin emphasized that there would have to be more than casual liaison between the library and the Dean of Academic Development.
2. Dean of Academic Services will report to the Vice President of Academic Affairs.

In spite of some disagreement across the campus, Dr. Marvin plans to continue his reorganization plans for continuing education. The President then discussed in considerable detail and with most interesting elaboration the texts of his proposals in three areas of concern.
