FOR IMMEDIATE RELEASE

CHARLESTON, IL.--Daniel B. Tap, Eastern Illinois University junior finance and computer management major from Algonquin (Cary-Grove HS), was awarded the R.R. Donnelley & Sons Scholarship through the College of Business.

The \$1500 scholarship fund was established this year through Donnelley's Mattoon Manufacturing Division to be awarded to a student with at least junior standing plus be admitted to a degree program in the College of Business.

Tap is active in the Data Processing Management Association, the Christian Campus Fellowship and is treasurer of the University Honors Association.

The scholarship was presented by Richard Petro, personnel coordinator for the Mattoon Manufacturing Division of R.R. Donnelley & Sons, at the College of Business Awards banquet.

"Dan is a first rate student who brings credit to our program, and I am sure will reflect positively on Donnelley both now and in the future," said Dr. Ted Ivarie, dean of the College of Business.

"We are honored that a company as large as R.R. Donnelley supports the preparation of business students at Eastern. Donnelley's has been a good corporate friend for a long time, and creation of this scholarship evidences its sense of social responsibility," Ivarie said.
