POLISH PROFESSORS

Three of Chmielewski's colleagues accompanying him to Eastern, are (standing left to right) Mieczyslaw Wegrzyn, vice president for scientific matters and international exchange; Janusz Pala, dean of the agricultural faculty; and Tomasz Skrzyczynski, vice president for student affairs.

During their month-long visit to Eastern, the distinguished professors have met with EIU botany and business faculty and toured area experimental farms and agricultural facilities to develop a greater understanding of American agri-business.

Eastern has had a reciprocal faculty exchange agreement with the Agricultural and Teachers University in Poland since 1987.
