-more-

Underwood recently completed an internship program sponsored by the BOG, Eastern's governing board.

The program gives students practical job experience, while completing their college degrees, and often results in permanent employment at the internship agency.

Underwood, who is working toward a specialist degree in educational administration, completed her internship at the Office of the Superintendent of Public Schools in Champaign.

At Eastern, she has served as a student member of the Council on Graduate Studies and Subcommittee on Student Appeals and is involved in the Leadership Training Program for Women.

She is a 1960 graduate of Urbana High School.
