FOR IMMEDIATE RELEASE (Oct. 15)

CHARLESTON, IL.--Even though Eastern Illinois University's basketball Panthers lost three of their most productive players in school history, Coach Rick Samuels says it's a rebuilding year only "in the sense that we are fielding a new starting unit . . .not rebuilding because we're minus the potential to be a competitive or successful team."

That's the assessment as Samuels greeted 12 varsity players but no seniors for the first day of practice Wednesday (Oct. 15). The season opens with an exhibition game against Ft. Hood Tankers in Lantz Gym on Friday, Nov. 21.

The regular season also commences at home ten days later vs. Illinois Tech on Monday, Dec. 1. December games at Illinois on the 8th and at Wisconsin on the 22nd also highlight the early part of the schedule.

Gone to the San Antonio Spurs in the 2nd round of the NBA draft is 7-0 Kevin Duckworth, a four year starter here. Gone to play European basketball is Jon Collins, EIU's all-time leading scorer with 1720 points. Gone is three year starter Doug Crook, EIU's 10th all-time leading scorer.

Although no fulltime starters return there are three back whose playing time equaled half a game. They are guards **NORM EVANS** (Joliet-Central) and **JAY TAYLOR** (Aurora-East) and forward **DAVE VANCE** (Roselle-Lake Park).

EVANS, 6-0 junior, led the team in assists (110) and steals (59). **TAYLOR**, 6-3 sophomore, was the team's fourth leading scorer at 8.1, started the final six games and scored in double figures in seven of the final ten games. **VANCE**, a 6-5 sophomore, played around a midseason

stress fracture to become one of the most consistent at both ends of the floor.

"We don't have a great deal of experience however I feel we have more experience than the youth of our roster indicates," said Samuels. "The freshmen saw a lot of playing time last year and all had an important role in our success."

Two sophomore inside players returning as lettermen are 6-8 MIKE WEST (Warrensburg-Latham) and 6-9 BRIAN MURPHY (Oswego). Both will be competing for the post position vacated by the graduation of Duckworth.

"I think all the freshmen progressed well over the summer. Typically sophomores come back with more confidence and determination. I see that with this group . . . particularly VANCE and WEST.

"I also expect TONY HEMPHILL and DAVE STEIN to have an immediate impact on our program." HEMPHILL (Indianapolis, IN-Park Tudor) has two years eligibility left after transferring from Stetson University. He can play either a perimeter position or in the backcourt.

STEIN (Crete-Monee) transferred from Parkland CC where he was rated among the state's best Jucos and earned tournament MVP honors leading Parkland to the Juco small division national championship.
