SALEM

The contest featured 17 participating high schools in two divisions, with teams consisting of approximately 25 students. The teams competed in a maximum of 10 events, including written tests in algebra, geometry and pre-calculus and oral presentations in probability and finite differences.

Individual winners for Salem included second place finishes by Lori Lingle (Algebra I), Chuck Munter (geometry), Kim Roberts (oral probability) and Craig Daniels (Algebra II).

Individual and team winners from Salem advance to the state finals April 27 at Illinois State University.
