FOR IMMEDIATE RELEASE:

PYLES ACCEPTS NEW POSITION

CHARLESTON, IL--Carol D. Pyles, Dean of the College of Health, Physical Education and Recreation at Eastern Illinois University since 1987, has accepted a position as Dean of Allied Health Technologies at the Miami-Dade Community College in Miami, Florida. The college is the fourth largest institution of higher education in the United States and is the only community college that offers an exclusive Health Care curriculum. Her resignation is effective December 1, 1991.

In her letter of resignation, Pyles told Robert Kindrick, Eastern's Provost and Vice President for Academic Affairs, that she had enjoyed working with him and President Stan Rives during the past four years and will always treasure the experiences she gained at the University.

Dr. Kindrick said that while Eastern will miss Pyles, the University wishes her the very best in this new and challenging position.
