

## INDEX TO EASTERN'S SENIOR SCRAPBOOK 1903-1918

Key: art = article  
aw = artwork  
id = identification  
mes = message  
pho = photo  
por = portrait

The senior yearbooks were written and compiled by members of the senior class to detail the events and activities that made up their year. The yearbooks were almost exclusively handwritten and include beautiful watercolors, pasted-in photographs, pen and ink drawings, and paper memorabilia from the years covered. Many articles, poems, jokes, and songs also fill the pages. The issues of the yearbook have been bound into five volumes. Volume one was produced with no page numbers, so we have provided page numbers for each recto. Below are the volumes and the years covered in each:

- I. 1903-1911
- II. 1912 (1913 has been done under its title the W'apper and is included as the first year under the Warbler index)
- III. 1914
- IV. 1915 & 1917 (1916 could not be found)
- V. 1918

\* First names were not available.

Letters in parentheses within or after a person's name indicate that different spellings were presented within the yearbook, or that certain letters were illegible.

(2x) or (3x) Indicates that the person's name appeared twice or three times on the same page.
