

# President Apportions Tuition Increase To Even Enrollment Throughout Year

In order to more or less even enrollment throughout the whole school year, President Quincy Doudna has made two proposals concerning the increasing of tuition beginning in the fall of 1969.

**Proposal A** states that undergraduate resident registration fees be: fall quarter—\$100, winter quarter—\$75, spring quarter—\$50, summer quarter—\$0.

**PROPOSAL B** states that undergraduate resident registration fees be: fall quarter—\$75 win-

\$100 to him. Doudna went on to list various reasons in favor of leveling enrollment by quarters. Doudna went on to point out that since nearly 60 per cent of Eastern students are on scholarships of one kind or another and

since this will increase with the advent of the special scholarships for disadvantaged students in the fall of 1969, only about 40 per cent of the students would be affected by any proposal if adopted.

## Doudna Asks Student Money For Carillon Memorial Tower

President Quincy Doudna has recommended that a \$2 per quarter fee hike be considered to

chase the Carillon instrument through a fund drive. He added that there is between \$40,000 and \$50,000 available from various sources that could be dedicated toward the construction.

Architects estimate the cost of a tower in a fountain setting at about \$140,000 to \$150,000 Doudna stated. He also added that the tower could be built as a memorial to those students who have given or offered their lives in the service of their country.

In a letter to Student Body President Jackie Bratcher, Doudna asked that the fee hike be considered along with her own earlier recommendation for a \$2 increase in the activities fee.

Doudna added that the architects are investigating the cost of a less expensive tower to be
