Menelaus (Jeff Hendricks) and Tyndareus (Ed "Duke" Bagger) two mod Greeks voice concern over Orestes and his sister in this scene. "Orestes," is staged by Joe Conaway with costuming

by Douglas J. Koertge. The set design turns the stage into a gigantic American flag, with tinsel doorway entrances. Mod painting embellish the setting, with a rock band providing appropriate music like Bob Dylan's "Like A Rolling Stone."
