</thead>
<tbody>
<tr>
<td>Papers 1-4 (@ 15% each)</td>

</tr>
<tr>
<td>Research Essay (including proposal)</td>

</tbody>
</table>

Course Grade: A= 90-100; B= 80-89.99; C= 70-79.99; No Credit= below 70

Papers. Papers 1-4 should be about three pages long (ca. 900 words). The Research Essay should be about five pages long (ca. 1500 words). Grades will be based on what you have to say and how well you say it. If you are having problems with an assignment, let me know.

Course/University Policies

Attendance. The course involves a tight schedule of assignments, peer reviews, and conferences. If you have more than four unexcused absences over the semester (whether from class or from conference) your course grade will drop 3 points for each absence beyond four.

Late Work. Papers must be turned in on time for peer reading, conferences, and instructor evaluation. If a paper is not on time, 1 point will be deducted from your course grade for each class that the paper is late.

Typing. Papers must be typed (double-spaced with one-inch margins). I recommend proofreading twice, and urge you to use a computer if possible.

Electronic Writing Portfolio. Should you wish to include a paper written for this class in your EWP, let me know so that I can assist you in meeting university requirements for collecting and submitting work.

Honor Policy. I believe education is based on trust. Should you cheat and I find out about it, you can expect to fail the course. The University may take additional action.

Plagiarism. If you use other people's words or ideas without citing your sources and indicating when you have quoted, you risk failing an assignment or even the course depending on how serious I deem the offense. If you are not sure what plagiarism is, or whether a particular use of language is plagiarism, ask me before you turn in an assignment.

Students with Disabilities. "If you have a documented disability and wish to receive academic accommodations, please contact the Coordinator of the Office of Disability Services (581-6583) as soon as possible."
