Honor Policy. Education is based on trust. Don’t cheat. I’d have to act on it, and the university might take additional action.

Plagiarism. If you use other people's words or ideas without citing your sources and indicating when you’ve quoted, you risk failing an assignment or the course depending on how serious I deem the offense. If you’re not sure what plagiarism is, or whether a particular use of language is plagiarism, ask me before you turn in an assignment.

Students with Disabilities. "If you have a documented disability and wish to receive academic accommodations, please contact the Coordinator of the Office of Disability Services (581-6583) as soon as possible."
